**EVALUATION RESULTS AND TEMPORARY RANKING of
PROPOSALS**

2nd Call for Action ‘Science and Society’

**‘Bridge-funding of research projects which have received evaluation above the qualifying score,
but were not funded by the European Research Council’**

Following the conclusion of the evaluation process, for proposals submitted under the **2nd Call for Action “Science and Society” – “Bridge-funding of research projects which have received evaluation above the qualifying score, but were not funded by the European Research Council”** (Ref. No. 14946/10.07.2019, as in force) and the Decision of the H.F.R.I.’s Scientific Council (Ref. No. 23640/18.03.2020) regarding the publishing of the temporary evaluation results, here follows the table of the temporary ranking of the proposals listed by ascending number.

In agreement to the Call, the proposed research projects may be funded only if they receive a qualifying (positive) score in all the individual evaluation criteria. Taking into account the available budget of the Call, it is estimated that –without that being regarded as H.F.R.I.’s commitment– **5 proposals** may be funded. It should be pointed out that the Call is co-funded by the Hellenic Foundation for Research and Innovation (H.F.R.I.) and Stavros Niarchos Foundation for Charity (SNF).

Temporary Table of the proposals listed by ascending number		
A/N	Proposal Number	Score
1.	1426	YES
2.	1428	YES
3.	1429	YES
4.	1431	YES
5.	1432	WITHDRAWAL
6.	1438	NON ELIGIBLE
7.	1442	YES
8.	1446	NON ELIGIBLE

The Principal Investigators will be notified for the evaluation results through a personalized evaluation report and documentation along with information regarding the objection procedure.

The Director of H.F.R.I.

Dr. Nektarios Nasikas
