1. The temporary ranking table of the Applications listed by descending total score;
2. The temporary ranking table of the Applications listed by ascending application number.

In the event of equal scores, the application which obtained a higher score in Criterion 1 “Scientific Profile of the PhD Candidate” shall be given priority, according to the provisions of the Call.

In order to be considered for funding, an application must achieve an overall score above 70.

The allocation of the applications to Scientific Areas is based on the statement made by the PhD Candidate during the submission of the application.

## TEMPORARY RANKING TABLES

### A. Physical Sciences (SA.1)

**Tables A.1** and **A.2** below present the Temporary Ranking of the Applications submitted in the Scientific Area **A. Physical Sciences**, listed by descending total score and by ascending application number, respectively. Considering the available budget of the Call, it is estimated that **50 applications** may be funded. Nevertheless, no commitment is made by the H.F.R.I. in this regard.
